## About the Azrou Area

\*\*\*\*\*

Azrou is one of the most important urban centers in Ifrane, benefiting from it's unique geographic location, which makes it a destination from Moroccan and foreing tourists thanks to the diversity of its tourist sites and its climate , which helps in the emergence of recreational activities such as skiing , hunting , fishing and other activities .

Perhaps the traditional industry sector remains one of the most active economic sectors especially in the city and the region generally. this sector contain various types of crafts such as traditional textiles , artistic carpentry ( abundance of cedar wood and toya ), leather ( charbel industry and various leather goods ), blacksmith, marble stones , herbs products as well as aromatic , medicinal and canned herbs .
